

## JANUARY 2015

We began back in company on Tuesday 13<sup>th</sup> January after our Christmas break. We held our "Christmas party". There were lots of games upstairs for the explorers, a fancy dress competition, and for supper they devoured a mountain of chicken nuggets, chips, crisps and buns. There was just time to hand out the gifts Father Christmas had left before it was time for them to go home.

The juniors, seniors and brigaders played a combination of Wii games and more traditional games, they also had a fancy dress competition and when the explorers had gone home it was time for them to have some food and collect the gifts that Father Christmas had left for them before it was also time for them to go home.

Our Girls brigade annual rededication Service is on Sunday 1<sup>st</sup> February 2015. During this service the leaders and girls will reaffirm their promises, service awards will be handed out, presentation of some special awards for older girls will be made and Eleanor Bennett will be commissioned as an officer in our company. We look forward to this service and hope that there will be plenty of support for the girls on this special day. Refreshments will be served afterwards.

In company during the coming weeks we will be practicing a couple of things for the service and starting back on our badge work.
