

Girls Brigade

Explorers

The explorers are coming to an end of finishing off their WINTER badge. They have all enjoyed talking about different weather and especially as the weather is getting nicer we are able to spend more time outside playing different games. After the spring holiday we will be starting new badge work which will see some of our newer girls receive their first or even their second badge which is to be placed on their badge bags. The group has now grown and after the holidays we are splitting into two groups.

Juniors

The juniors have been doing a badge on Courage. They have been learning about mission trips where people share God's Love.

Seniors /Brigaders

The seniors and brigaders have been thinking about entertainment. They have been working together thinking about entertainment and playing games of cards.

Devotions

Eleanor has been leading the devotion sessions for the last few weeks. On Tuesday night they talked about "One day without shoes". The idea is to spend one day without shoes to raise global awareness for children who don't have any shoes. The girls made foot decorations to wear. (see photo)

Great Big Sports Challenge.

We look forward to holding this event again after the success of last years. Please see the posters for details, everyone welcome, please bring the sunshine with you!
